

G SUSEELA

Web Developer

suseelaramappa@gmail.com +918688291832 <https://suseelaportafolio.netlify.app/>

CAREER SUMMARY:

Enthusiastic and detail-oriented Web Developer with hands-on experience in frontend development using HTML, CSS, JavaScript, React, and Angular. Proficient in building responsive, animated, and user-centric websites, including a live personal portfolio project hosted on Netlify. Experienced in integrating REST APIs, managing interactive UI components, and working in collaborative environments. Passionate about writing clean, scalable code and continuously learning emerging web technologies to create seamless user experiences.

WORK EXPERIENCE:

Frontend Web Development Intern

CodTech IT Solutions Pvt. Ltd (Remote) — Feb 2025 – Mar 2025

- Designed responsive and mobile-friendly web pages using HTML, CSS, and JavaScript.
- Developed animated UI components for improved interactivity.
- Optimized web performance and ensured cross-browser compatibility.
- Integrated APIs to build dynamic and interactive interfaces.

Web Development & UI/UX Intern

Codeon Technologies Private Limited 01 June, 2023 – 30 November, 2023

- Collaborated with design teams to develop engaging frontend layouts.
- Built reusable React components for a scalable architecture.
- Improved code quality by refactoring legacy interfaces.

RELEVANT PROJECTS:

Weather Forecast Application using API

Tech Stack: React.js, OpenWeatherMap API, CSS3, HTML5, Javascript

link:<https://weather-eta-self.vercel.app/>

- Built a dynamic weather application that fetches real-time weather data using OpenWeatherMap API.
- Enabled location-based city input with search functionality and error handling.
- Implemented conditional UI rendering based on temperature and weather conditions.
- Designed an attractive and mobile-friendly interface with hover and animation effects.

React Quiz Application

Tech Stack: React.js, CSS3, JavaScript, HTML5

Link:<https://firstproject-on-react.netlify.app/>

- Developed a fully interactive quiz application using React functional components and hooks.
- Implemented timer-based quiz questions with real-time scoring and answer validation.
- Used state management for user responses and conditional rendering for results.
- Ensured full responsiveness and user-friendly design using modern CSS and transitions.

EDUCATION:

Bachelor of Technology in Computer Science and Engineering

Siddhartha Institute of Technology, 2024 to 2027

SKILLS:

- Frontend: HTML5, CSS3, JavaScript, ReactJS, AJAX, Bootstrap
- Backend: PHP, MySQL, Flask, Django, Django REST Framework
- Design: UI/UX Design, Figma, Wireframing, Prototyping
- Tools: Git, GitHub, VS Code, Netlify, Vercel, MS Excel
- Others: SEO Optimization, Debugging, Responsive Design, API Integration
- Soft Skill: Communication, Teamwork, Problem-Solving, Adaptability, Time Management
